**INFORMATION DISCLOSURE STATEMENT
UNDER 37 CFR § 1.56(b)**

Commissioner for Patents
Alexandria, VA 22313-1450

Sir:

In order to comply with Applicants' duty of disclosure pursuant to 37 CFR § 1.56, submitted herewith on forms PTO/SB/08a and PTO/SB/08b is a listing of documents known to Applicants. The submission of any document herewith, which is not a statutory bar, is not intended as an admission that such document constitutes prior art against the claims of the present application or is considered to be material to patentability as defined in 37 CFR § 1.56(b). Applicants do not waive any rights to take any action which would be appropriate to antedate or otherwise remove as a competent reference any document which is determined to be a prima facie prior art reference against the claims of the present application.

The Information Disclosure Statement is being filed in compliance with 37 CFR § 1.97(b), before the mailing of a first office action after the filing of a request for continued examination. Accordingly, no fee is required or enclosed. The USPTO is nonetheless authorized to charge any fees associated with the filing of this Information Disclosure Statement to the undersigned's Deposit Account, No. 50-3483.

English language translations of the foreign language documents are not provided; however, English language abstracts are attached. The absence of such translations does not relieve the USPTO from its duty to consider the submitted documents (37 CFR § 1.98 and MPEP § 609).

ALL REFERENCES CONSIDERED EXCEPT WHERE LINED THROUGH. /NH/

Applicants respectfully request that the listed documents be considered by the Examiner and be made of record in the present application and that an initialed copy of the forms PTO/SB/08a and PTO/SB/08b be returned in accordance with M.P.E.P. § 609.

Respectfully submitted,

14 June 2006
